

# Norwegian-english Dictionary: A Pronouncing and Translating Dictionary of Modern Norwegian (Bokmal and Nynorsk) with a Historical and Grammatical Introduction (English and Norwegian Edition)

For more than forty years, the Haugen Norwegian-English Dictionary has been regarded as the foremost resource for both learners and professionals using English and Norwegian. With more than 60,000 entries, it is esteemed for its breadth, its copious grammatical detail, and its rich idiomatic examples. In his introduction, Einar Haugen, a revered scholar and teacher of Norwegian to English speakers, provides a concise overview of the history of the language, presents the pronunciation of contemporary Norwegian, and introduces basic grammatical structures, including the inflection of nouns and adjectives and the declension of verbs.
