Anyone can pull a rabbit out of a hat. pull a hat out of a rabbit, then well talk. The great wizard Morphiophelius refuses to give up on Wendell--even if he has to use forbidden magic. Now Dax, Alhannah and Lili must accompany Chuck into Clockworks City, home of 1.5 billion gnomes and where trespassing by off-landers is punishable by death. But getting in is the EASY part. Now they must save Wendells life, join a rebel alliance, avoid government manipulation and find the last Demoni Vankil seal. Oddly enough, the key to staying hidden will require entering the greatest extreme sport competition on the planet. (got yelled at by mom to put my Nook away all week....*sigh*) It was that good.
