

Backbone: The Modern Mans Ultimate Guide to Purpose, Passion and Power

You deserve the best of life. And your life deserves the best of you. What does it mean to be a powerful happy man in today's world? What does it take for a man to know himself, know his mission in life, and live a life of strength, honor, and wisdom? Learning to be a good man used to be part of our culture; sons learned from fathers, nephews learned from uncles, apprentices learned from masters. But today this rarely happens. Modern men have to figure it out by themselves. Backbone is a practical, step-by-step guide to help men know themselves deeply, root out weaknesses, enhance strengths, and upgrade their experience of life. Backbone combines no-nonsense wisdom with brutally honest exercises to help men to: find their purpose and be on track with their vision; access and hone their spiritual and emotional intelligence; get free from unhelpful beliefs, patterns, and habits; live an amazing, powerful, passion-filled life.
