

Angel n Me: Book 2 of the Cherry Hill Series (Volume 2)

Cherry Hill High School freshman Evan Jade has enough problems. A father in prison. A mom working two jobs. A new home and school. The last thing he needs is a 17 year-old girl living in his head. But after he rescues the hottest girl in Cherry Hill from drowning, that's exactly what he gets. As Evan and his new soul mate struggle to come to terms with their unusual co-existence, they learn more about each other, the people around them, and themselves. While one slides toward death and the other faces the challenges of a new school and a new crush, the friendship between them grows into a bond that neither life or death can break. Angel n Me will have you laughing between the tears.
