High-temperature oxidation of reactively processed nickel aluminide High-Temperature Oxidation and Corrosion of Intermetallics. M. P. Brady¹, B. A. Pint¹, P. F. Tortorelli¹, I. G. Wright¹, R. J. Hanrahan Jr.². **High-temperature oxidation of intermetallics formed by group IV** Water vapor effect on high-temperature oxidation behavior of Fe₃Al intermetallics. Sebastian Chevalier¹, Pitor Juzon^{1,2}, Kazimierz Przybylski² **Development of oxidation resistant high temperature intermetallics** A detailed study of the high-temperature oxidation behavior of powder processed Ni₃Al High-temperature oxidation Powder processing Intermetallic Ni₃Al **Oxidation of advanced intermetallic compounds - Hal** The selective oxidation of intermetallic compounds is described. The effects of temperature on the development of protective external scales **Introduction to the High Temperature Oxidation of Metals - Google Books Result** The phase NiAl with its wide homogeneity range, and especially when of high Al content, is a reliable alumina scale former and exhibits **none** Although Ti₅Si₃ within the homogeneity range can form silica-containing scale in pure oxygen upon high temperature exposure, only Si-rich composition is **Oxidation of High-Temperature Intermetallics - ResearchGate** Over the last ten years vast efforts were made in the research and development of intermetallic compounds to attain improved high temperature : **Oxidation of High Temperature Intermetallics MATERIALS & MANUFACTURING PROCESSES**, 5(4), 677-679 (1990). BOOK REVIEW. OXIDATION OF HIGH TEMPERATURE INTERMETALLICS edited by. **Figures - Wiley Online Library** J. Doychak, in Intermetallic Compounds, eds. G. C. Wood, in Oxidation of Metals and Alloys, ed. In Oxidation of High Temperature Intermetallics, eds. **High temperature oxidation of two-phase (Ti₃Al + TiAl) intermetallic** Abstract. Powder metallurgically produced Ti-48% Al-2% W alloys were oxidized between 8C in air. The W-addition was quite effective in providing

High-Temperature Oxidation of Fe₃Al Intermetallic Alloy - MDPI Oxidation of High-temperature Intermetallics: Proceedings of the Workshop on the Oxidation of High-Temperature Intermetallics, Held in Cleveland, Ohio, **High temperature oxidation behavior of Ti₅Si₃-based intermetallics** Among the big family of intermetallics, Fe-Al, Ni-Al and Ti-Al systems are It should also be noted that only high temperature oxidation properties in air or **High-Temperature Oxidation and Corrosion of Intermetallics** A review of: OXIDATION OF HIGH TEMPERATURE INTERMETALLICS edited by T. Grobstein and J. Doychak TMS, Warrendale, **High temperature oxidation of Ti-48%Al-2%W intermetallics** The authors report on the three major classes of high-temperature intermetallics having design considerations based on oxidation behavior-the aluminides, **A review of: OXIDATION OF HIGH TEMPERATURE** The present conference on the high-temperature oxidation behavior of aerospace structures-applicable intermetallic compounds discusses the influence of **High temperature oxidation of Mo Si X intermetallics (X = Al, Ti, Ta** It is shown that the addition of Nb can remarkably improve the oxidation resistance of NiTiNb alloys at high temperature. Further, the corresponding mechanism **Development of oxidation resistant high temperature intermetallics** /journal/materials. Article. High-Temperature Oxidation of Fe₃Al Intermetallic Alloy. Prepared by Additive Manufacturing LENS. **High temperature oxidation and corrosion of intermetallic compounds** **Oxidation of High-temperature Intermetallics: Proceedings of the** High temperature oxidation of Mo Si X (X = Al, Ti, Ta, Zr and Y) has been examined under isothermal and thermally cyclic conditions up to 1958 K in air. **High temperature oxidation behavior of NiTiNb intermetallic alloys** exhibits remarkable oxidation resistance at high temperatures. well adherent oxide layer. High Al content in intermetallics promotes alumina formation and. **Oxidation of Intermetallics - Wiley Online Library** **High Temperature Corrosion of Intermetallics - Nova Science** Abstract. The oxidation process of two-phase (Ti₃Al and TiAl) intermetallic compound, Ti-42 at% Al, in air at 10 K has been investigated. **High Temperature Aluminides and Intermetallics: Proceedings of the - Google Books Result** The isothermal oxidation of Fe-28Al-5Cr (at%) intermetallic alloy microalloyed with Zr and B (High temperature oxidation behaviour of a TiAlAl₂O₃ In a similar way, TiAlAl₂O₃ intermetallic matrix composites have also been synthesized [15]. This paper studies the high temperature oxidation behaviour of Oxidation of Intermetallics - Google Books Result **Balsone: The Effect of Elevated Temperature Exposure on the Tensile and Creep Properties of Ti-24Al-1 v1Nb** In Oxidation of High Temperature Intermetallics. 6 High-Temperature Oxidation and Corrosion of Intermetallics Akito Takasaki.
