

LEGO Star Wars Revenge of the Sith

Join LEGO[registered] Star Wars[trademark] characters Anakin Skywalker and Queen Amidala in this dramatic chapter of their story LEGO[registered] Star Wars Revenge of the Sith tells the incredible tale of how Anakin Skywalker goes from being a noble Jedi to the evil Darth Vader, a Sith lord with a black heart. Reader favourites such as Obi Wan Kenobi and Queen Amidala also feature as they try to save the young man who is their friend. LEGO[registered] Star Wars Revenge of the Sith is part of the DK Readers series. Pairing the incredible Star Wars story with DKs non-fiction approach, these books encourage reluctant readers who might not usually find books very stimulating and are great for developing confidence. LEGO[registered] Star Wars Revenge of the Sith is a Level 3 Reader. These support children who are comfortable reading alone (approximately 7-9 years) and include a contents list, glossary and index as well as more complex sentence structures and information boxes.
