

## Mum, ME, the 19c

When fifteen-year-old Cara Gillespie and her family visit a living museum, Cara and her mother are by mischance transported back to the 1840s. Now all they have to do is somehow work out how to get themselves back to the year 2001 - and Dad, who is waiting in the carpark in the Mitsubishi. This book is suitable for ages 11-12.
