

## 12 Rounds Against Satan 1st Edition: Christian Book

Dear Brothers and Sisters, Welcome to the 12 Rounds Against Satan, your daily workshop. I have high hopes that I see you in Heaven while passing through here on earth. I am delightful and pleased to know that you have taken time out to strengthen your faith, build your hopes of eternity in Heaven, and one day we spend eternity with God our Father, the Lord and Savior Jesus Christ, and the Holy Spirit. I know what God can do with simple people like me and you to get a job accomplished. God Almighty doesn't need our assistance, but he loves those who try to help others in their walk to know how gracious and merciful, he truly loves and deserves all praise. I have witnessed and participated with my own eyes what God can do with his power, and the funny part about it, God isn't finished with me yet! So therefore, I am still a work in progress and so are you. Besides, this book is not about my life, but rounds of life we all go through. It has been placed on my heart to see all ages of life that journey into this foreign land and don't have a clue to find out their purpose. Well, there is a message that needs to get out and a job to do of spreading God's unchanging word of everlasting hope and faith that lies through him. Thank God for sending his only son Jesus Christ to die for our sins. Some of you will pick up this book and it will change your life in moments after you visit the first round. Others will find ways to discredit the message and ignore what it can do for your life. So from the message to you, I asked that you take time and study this workshop and read the scriptures within the rounds and see what round you are fighting inside. I can assure you that you will find yourself within one of these rounds within 12 seconds of your life. May God Bless You in Your Walk - Ralph B. McCauley
