

## Quest for the Dragons Eye: Book One of the Dragon Mage Trilogy

The Dragons Eye...the mysterious and coveted blue crystal. Would they ever find it? Would it be enough to repel the evil in the land? Avril had to find it, for with it she would be able to stop the Dark One and his quest for power. With it she would find herself and her destiny as the Dragon Mage. Trent, a warrior in his own right, was sent to be her protector. He was determined to guard her at all cost and in the process, help her repel the evil from the land. Their struggles and triumphs will take them to places they never imagined and lead them to find truths about themselves that are unexpected.
