

# Taken Captive: The Secret to Capturing your piece of Americas multi-billion dollar insurance industry

TAKEN CAPTIVE is sure to become the industry's leading resource for providing basic education and expert guidance on using captive insurance companies in alternative-risk-financing strategies. TAKEN CAPTIVE answers the following questions: What is a captive? Why form a captive? What are the different types and structures of captives? Which domiciles are best? What are the tax implications? What are the risks associated with forming and operating a captive? What are the steps involved with forming a captive? Is a feasibility study necessary? What kind of risks can be underwritten? What's involved in managing a captive? How can a captive be used for asset protection and estate planning?
