

To Write is to Know

Gabriele Rico urges you to use the simple act of writing to discover who you are and what you think. She presents her widely-acclaimed clustering technique to get you started, then adds exercises to help you reveal your minds patterns on the page. She also cover the science of chaos, patterns in chaos, randomness, and unpredictability as essential to the creative process, creativity as collaboration, risk-taking as a definition of creative human beings, using polarities to explore your mind, and much more.
